The Recovery, Transformation and Resilience Plan financed by the European Union – Next Generation EU includes Component 1 *“Action Plan for Sustainable, Safe and Connected Mobility in Urban and Metropolitan Environments”* and Component 6 *“Sustainable, Safe and Connected Mobility”*.

The following procurements are financed by the European Union – NextGenerationEU under the Recovery, Transformation and Resilience Plan:

.-The acquisition of rolling stock for the Donostia/San Sebastián Metro underground line to come into service under the Recovery, Transformation and Resilience Plan financed by the European Union-NextGenerationEU.

.-The generation of advanced transport data in the BAC for which the development has been contracted of the feature needed to send information to Moveuskadi in the Euskotren SIIS application, under the Recovery, Transformation and Resilience Plan financed by the European Union-NextGenerationEU.

There is a specific mailbox on the Basque Government's website ( [buzon-mrr@euskadi.eus](mailto:buzon-mrr@euskadi.eus)) to report any irregularities or suspicions of fraud in actions financed with NextGenerationEU Funds (requirements regarding anti-fraud, conflict of interest, double funding and state aid, and non-significant damage to the environment). Those complaints shall be processed using a specific protocol that will protect the identity of the whistleblowers. The complaints will be investigated by specifically qualified staff and assigned to that function
